I. SUMMARY  

This amended administrative consent order is entered into between the Cities of Davenport, Bettendorf, Riverdale, and Panorama Park (Joint Use Cities) and the Iowa Department of Natural Resources (DNR). The purpose of this amended administrative consent order is to extend the required date for submitting a construction permit application for the wastewater disinfection system that was established in Administrative Consent Order No. 2013-WW-07. This extension is necessary due to the occurrence of unexpected difficulties in determining design requirements of the disinfection system. Joint Use Cities timely requested the extension, and DNR agrees that the extension is appropriate and necessary.  

Any questions regarding this amended administrative consent order should be directed to:
