Re: Tire Processing Annual Permit Fee Reminder  
Nelson Tire Recycling, LLC Permit# 31-WTM-02-21

Dear Richard Nelson:

This letter is a reminder that pursuant to Iowa Administrative Code (IAC) 567-117.4(2), all permitted tire processing facilities shall have an annual fee of \$850, payable to the Department upon the application for a permit, and due annually beginning each July 1 thereafter at the rate of \$850.

Please complete the attached Permit Renewal Fee Form and return to the Department with enclosed payment of \$850, with checks made payable to: Iowa Department of Natural Resources. You may note "tire processor annual fee" and your permit number on your check. Payment must be received by the Department no later than July 1, 2020. Failure to remit the timely permit renewal payment shall be cause for the Department to revoke the permit.
