Re: Davenport Compost Facility Permit Amendment  
Permit # 82-SDP-12-93P-COM

Dear Mr. Linehan:

Enclosed is Amendment # 1 to the permit issued on March 3 2020 for the compost facility referenced above. The amendment must be kept with the permit and the approved plans at the facility. Please review this amendment with your operators, as they must become familiar with it.

The enclosed amendment increases the permitted capacity of the facility. All other special provisions still apply to the permit.
