LAKE MILLS SALVAGE/SPECIALTY METALS
4601 APPLE AVE.
LAKE MILLS IA 50450

Re: Appliance Demanufacturing
Permit Renewal #95-ADP-02-13

Dear Mr. Crews:

The DNR received notice that Lake Mills Salvage has been sold to Specialty Metals located at the address referenced above. Thus Appliance demanufacturing permit #95-ADP-02-13 has been rescinded and no longer valid.

If the new owner, Specialty Metals, would like to continue to accept appliances for recycling, a new permit would be required. The permit application form would need to be submitted and include all the required documentation, including operator certification and financial assurance. The application form is attached for your convenience.

If you have questions or need additional information, please contact me at (515) 217-0872 or Susan.Johnson@dnr.iowa.gov.

Sincerely,

Susan Johnson, CHMM - Environmental Specialist Sr.
