Subject: Notification of PCB Activity

Thank you for filing the Notification of PCB Activity form for the facility

Received: July 14 2008  
TSCA ID Number: IAW000510008  
Handler Name: APPLIANCE RECYCLING OF IOWA

The Corrective Action Programs Branch (CAPB) of EPA's Office of Solid Waste is issuing the above TSCA identification number to the listed facility. This number may only be used for PCB-related activities and may not be used for any other regulated hazardous waste activities.

If you have also applied for a Regulated (Hazardous) Waste EPA ID number under RCRA, you may request a consolidation of your RCRA identification number and TSCA identification number upon receipt of your RCRA EPA ID number. To do so, CAPB would require confirmation of the RCRA identification number that has been assigned to you facility. A copy of the RCRA ID Assignment Form (8700-12A(6-90)) for your facility would be an example of acceptable documentation.

If you have any questions regarding the PCB waste handlers database, please contact Molly Finn at (703) 347-8785.

Sincerely,
