Hi Debbie,

Thank you for sending your notification of PCB activity form. Please see attached for your confirmation letter.

The EPA ID assigned to your new location at 2905 Delaware Ave is **IAR000004424**.

Please let me know if you have any questions.

Thank you,

Luke Weber

U.S. Environmental Protection Agency

**Subject:** address change

**Caution:** This email originated from outside EPA, please exercise additional caution when deciding whether to open attachments or click on provided links.

We added a new location and want to move our demanufacturing process from 4400 Hickman to 2905 Delaware, both locations are in Des Moines.

Contact me if there is anything else you need. We need a new EPA ID number.

Debbie Sloan
