Re: Alternative Daily Cover Guidance for Landfills
Clinton County Area Solid Waste Agency – Clinton County EAST SLF

Dear Mr. Leat:

The Clinton County Area Solid Waste Agency uses alternative daily covers (ADC) per the rules set forth in Iowa DNR permits and guidance. Any ADCs used and allowed in our permit are being stored with the lined areas of landfill disposal cells. Also, water which comes in contact with ADC is being collected and managed as leachate. ADC is not being used on outside slope areas. Contact water is not discharging with stormwater.

Based on this information, CCASWA does not plan to submit action plan or compliance schedule at this time. Please feel free to contact me with questions or inquiries.

Sincerely,

Brad Seward
Director of Operations and Education
