**Re: City of Sioux City Sanitary Landfill
Permit Number 97-SDP-03-81C
Approval of Financial Assurance**

Dear Ms. Montagne:

This is notification by the Iowa Department of Natural Resources (DNR) that the City of Sioux City (City) has adequately complied with the financial assurance requirements of [567 IAC 113.14\(455B\)](#) for the closed City of Sioux City Sanitary Landfill. The City's financial assurance documentation ([Doc #109504](#)), received March 18, 2024, has been placed in the DNR's record files.

The Financial Assurance Report Form and supporting documentation demonstrate that the City's Local Government Dedicated Fund, as of June 30, 2023, had a balance of \$918,065 for post-closure care and corrective action. Because this exceeds the updated cost estimates of \$742,457, there is no further action required for this reporting year.

Please note that the City may withdraw money from the post-closure account without DNR approval for the purpose of funding post-closure care and corrective action activities. As a reminder, compliance with 567 IAC 113.14(455B) is to be submitted annually, by April 1st, confirming that all applicable financial assurance documents are updated as required.

Please feel free to contact me with any questions. I can be reached at [\(515\) 201-8272](tel:5152018272) or chad.stobbe@dnr.iowa.gov.

Sincerely,
