Hi Jayme, I just wanted to let you know that this was received.

The permit number I provided the other day will be incorrect and your permit number will be 98-ADP-07-24 as I thought Lake Mills and the facility was in Winnebago County, but it looks to be just into Worth Co. Also, is there a reason the Insurance company did not use the bond form I emailed? I will need to review what they sent to see if it conforms to the chapter rules.

Sue

Good afternoon, I have attached the completed application form via scan and putting the actual paperwork in mail today yet. Please advise (when you have time) if I am missing anything or need to do anything else. Thank you, Jayme Wetzstein
