Single-use Landfarming Permit Bond Amendment
Permit # 77-SDP-56-05P-PCS

Ms. Nagel:

Seneca Companies, Inc (Seneca) informed the Iowa Department of Natural Resources (DNR) on August 14, 2024 of their new financial assurance mechanism (bond) in the form of a Surety Bond provided by The Gray Insurance Company and The Gray Casualty & Surety Company as of August 9, 2024 ([Doc #110703](#)).

This letter serves as notice that DNR has reviewed and approves the new bond for the sum of eight thousand five hundred dollars (\$8,500.00) with the DNR as the sole beneficiary. The Surety is an acceptable form of bonding as stated in [IAC 567 Chapter 120.13\(4\)d\(3\)](#).

The current bond is stated to expire February 15, 2025 with no clear indication that the bond will be automatically renewed at that time. Please provide proof of renewed bonding no later than February 15, 2025.

The new bond was necessary due to Seneca being released from their previous bonding provided by EMC, Insurance. The bond was cancelled on June 24, 2024. ([Doc #110340](#)).
