**Re: Ames/Story Environmental Landfill, Inc.
Permit Number 85-SDP-13-91C
Approval of Financial Assurance**

Dear Mr. Fedeler:

This is notification by the Iowa Department of Natural Resources (DNR) that Ames/Story Environmental Landfill, Inc. (Company) has adequately complied with the financial assurance requirements of [rule 567—114.31\(455B\)](#) for the closed Ames/Story Environmental Landfill, Inc.'s Sanitary Landfill. The Company's financial assurance documentation ([Doc #109774](#)), received April 8, 2024, has been placed in the DNR's record files.

The Financial Assurance Report Form and supporting documentation demonstrate that the Company's secured Trust Fund, as of January 31, 2024, had a balance of \$414,888 for post-closure care. Because this exceeds the updated post-closure care cost estimate of \$387,900, there is no further action required for this reporting year.

Please note that the Company may withdraw money from the secured Trust Fund without DNR approval for the purpose of funding post-closure activities in accordance with 567 IAC 114.31(8)"d." As a reminder, compliance with rule 567—114.31(455B) is to be submitted annually, by April 1st, confirming that all applicable financial assurance documents are updated as required.

Please feel free to contact me with any questions. I can be reached at [\(515\) 201-8272](tel:5152018272) or chad.stobbe@dnr.iowa.gov.
