Good Morning,

We are requesting an extension to for the 2024 Winne ACM Report. We will not have the sample results back in time for the deadline. We expect the results mid-January. We'd like to submit it with the 2024 Winne AWQR at the end of March.

Let me know if you have any questions.

We need to let IDNR know that we will not be submitting an update to Winneshiek ACM by end of month. We won't have all sample results back until January. We can submit update by end of March 2025 along with AWQR.
