**Subject: Notification of PCB Activity**

Thank you for filing the Notification of PCB Activity form for the facility location listed below:

Received: December 20, 2024  
TSCA ID Number: IATSCA113649  
Handler Name: RUSS'S RECYCLING  
Location Address: 667 6TH ST SW  
BRITT, IA 50423

EPA's Office of Resource Conservation and Recovery (ORCR) is issuing the above TSCA identification number to the listed facility. This number may only be used for PCB-related activities and may not be used for any other regulated hazardous waste activities.

If you have also applied for a Regulated (Hazardous) Waste EPA ID number under RCRA, you may request a consolidation of your RCRA identification number and TSCA identification number upon receipt of your RCRA EPA ID number. To do so, ORCR would require confirmation of the RCRA identification number that has been assigned to your facility. A copy of the RCRA ID Assignment Form (8700-12A(6-90)) for your facility would be an example of acceptable documentation.

If you have any questions regarding the PCB waste handlers database, please contact the ORCR PCB Team at [ORCRPCBs@epa.gov](mailto:ORCRPCBs@epa.gov).

Sincerely,

Amanda Kohler, ORCR
