Re: CRT Collection Registration # 74-CRT-03-22

Dear Aletha King:

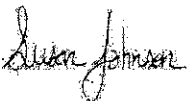

On July 20, 2022, the Iowa Administrative code (IAC) 567-122 was updated, which required CRT collectors to register with the department and also submit proof of ownership or signed statement from the property owner. Chapter 122 - (www.legis.iowa.gov/docs/ACO/chapter/567.122.pdf). Your facility has been placed the DNR's list of CRT registered collectors, and the collection registration assigned to your facility is # 74-CRT-03-22.

As a reminder, an annual report is due by February 1st of each year, which will automatically re-register you upon receipt of the annual report. The annual report form can be found on the DNR website (www.iowadnr.gov/Portals/idnr/uploads/forms/5428131.pdf) and is enclosed with this letter. The report shall include:

1. 122.11(1) The amount, either by weight or volume, of discarded CRTs and processed CRT glass on site on January 1.
2. 122.11(2) The amount, either by weight or by volume, of discarded CRTs and CRT glass recycled or transferred for recycling during the calendar year.
3. 122.11(3) The amount, either by weight or by volume, of discarded CRTs and processed CRT glass on site on December 31.
4. 122.11(4) Indication of whether the CRTs received over the past year were generated by households, businesses, or both households and businesses.

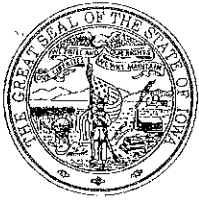

If you have questions or need additional information, please contact me at (515) 217-0872 or Susan.Johnson@dnr.iowa.gov.
