I identified a previously unknown dump in Decorah today, and we will need a UDP number for it.

Decorah City Dump
1874 Trout Run Road
Decorah, IA 52101
Winnesheik County

43.287 North
-91.760 West

This site is the location of the current city yard waste collection area, but I was tipped off by a long-time resident that it used to be the dump, and that there is occasionally exposed waste still visible. The site is clearly visible on LiDAR and also on aerial photos going back to the 1930s.
