**Re: Monona County Sanitary Landfill
Permit Number 67-SDP-01-75C
Approval of Financial Assurance**

Dear Mr. Persinger:

This is notification by the Iowa Department of Natural Resources (DNR) that the Monona County Sanitary Landfill Agency (Agency) has adequately complied with the financial assurance requirements of [567 IAC 114.31\(455B\)](#) for the closed Monona County Sanitary Landfill. The Agency's financial assurance documentation, received January 28, 2025 ([Doc #112054](#)), has been placed in the DNR's record files.

The Financial Assurance Report Form and supporting documentation demonstrate that the Agency's Local Government Dedicated Fund, as of June 30, 2024, had a balance of \$467,778 for postclosure care. Because this exceeds the updated postclosure care cost estimate of \$339,150, there is no further action required for this reporting year.

Please note that the Agency may withdraw money from the postclosure account without DNR approval for the purpose of funding postclosure care activities in accordance with 567 IAC 114.31(8)"d." As a reminder, compliance with 567 IAC 114.31(455B) is to be submitted annually, by April 1st, confirming that all applicable financial assurance documents are updated as required.

Please feel free to contact me with any questions. I can be reached at [\(515\) 802-8835](tel:5158028835) or mary.klemesrud@dnr.iowa.gov.

Sincerely,
