Good morning Brian,

In previous years MPW has requested an extension on the financial assurance report submission deadline to allow for the completion of our annual financial audit report. We expect to receive the report again this year towards the end of April and would like to request another extension of that deadline.

Thank you,

Neil

Neal - Per our regulatory discretion under Chapter 103, we are issuing an extension for the completion of your financial assurance until June 15, 2024. This will allow sufficient time to complete your financial assurance after receipt of your audit, which is expected toward the end of April.

Hi Neil,  
I'm copying Chad Stobbe and Brian Rath on this email. They are handling the Financial Assurance reviews this year.

Brian/Chad:  
Could one of you respond to Neil's email and copy the group?

Thanks!
