We have reviewed this and have no exceptions to the more stringent construction requirements proposed in comparison to our administrative rules. We will issue you a formal letter in the near future, but please consider this approval to proceed with construction.

Thanks,  
Brian

Brian,

Please find attached the package to support expansion of the LGS monofill using a geosynthetic clay liner. The PDF includes a cover letter, drawings, specs, and the CQA Plan.

Please reach out to Mike Alowitz or me with any questions.

**Justin Simon, P.E.**
