Dear Mr. Seward:

This is notification by the Iowa Department of Natural Resources (DNR) that the Clinton County Area Solid Waste (Agency) has adequately complied with the financial assurance requirements of [567 IAC 113.14\(455B\)](#) for the Agency's landfill. The Agency's financial assurance documentation ([Doc #112709](#)), dated April 1, 2025, has been placed in the DNR's record files.

The projected deposit of **\$235,063** to the Agency's closure and post-closure Local Government Dedicated Fund (LGDF) needs to be made by July 30, 2025. The deposit amounts are as stated in the "Formula for Projected Deposits" component of Section 7 of the Agency's Financial Assurance Report Forms.

Please note that the Agency may withdraw money from the closure and post-closure LGDF without DNR approval for the purpose of funding closure, including partial closure, or post-closure activities in accordance with 567 IAC 113.14(8)"d." As a reminder, compliance with 567 IAC 113.14(455B) is to be submitted annually, by April 1st, confirming that all applicable financial assurance documents are updated as required.
