**Re: Fayette County Sanitary Landfill
Permit Number 33-SDP-02-83C
Approval of 2025 Financial Assurance**

Dear Mr. Bunn:

This is notification by the Iowa Department of Natural Resources (DNR) that the Fayette County Solid Waste Management Commission (Commission) has adequately complied with the financial assurance requirements of [567 IAC 113.14\(455B\)](#) for the closed Fayette County Sanitary Landfill. The Commission's financial assurance documentation ([Doc #112740](#)), received March 18, 2025, has been placed in the DNR's record files.

The Financial Assurance Report Form and supporting documentation demonstrate that the Commission's Local Government Dedicated Fund, as of June 30, 2024, had a balance of \$2,029,907 for postclosure care. Because this exceeds the updated postclosure care cost estimate of \$1,153,300, there is no further action required for this reporting year.

Please note that the Commission may withdraw money from the postclosure account without DNR approval for the purpose of funding postclosure care activities in accordance with 567 IAC 113.14(8)"d." As a reminder, compliance with 567 IAC 113.14(455B) is to be submitted annually, by April 1st, confirming that all applicable financial assurance documents are updated as required.

Please feel free to contact me with any questions. I can be reached at [\(515\) 802-8835](tel:5158028835) or mary.klemesrud@dnr.iowa.gov.

Sincerely,
