Good Morning Mary,

SCS Engineers would like to request an extension of the submittal date to July 1, 2025, for the 2025 Financial Assurance documentation for the Ottumwa-Wapello County Landfill. We are still waiting on the city audit required to complete the financial test. When the audit becomes available in early June 2025, we will submit the Financial Assurance documents.

Thank you,

Kasi Province, PE*, Project Professional
