Good morning Mick-

SCS Engineers, on behalf of the Ottumwa-Wapello County Solid Waste Landfill Commission, is submitting this permit amendment request for approval of an alternative daily cover for the West MSWLF unit at the Ottumwa-Wapello County Landfill (Landfill). The request is to use wood chips from the Landfill's wood waste collection program in a 50% wood chips and 50% soil mixture as an alternative daily cover. If you have any questions or comments regarding this request, please contact me at the number below. Thank you.
