**Re: Jones County Sanitary Landfill  
Permit Number 53-SDP-01-76C  
Approval of Financial Assurance**

Dear Mr. Benke:

This is notification by the Iowa Department of Natural Resources (DNR) that the Jones County Solid Waste Management Commission (Commission) has adequately complied with the financial assurance requirements of [567 IAC 113.14\(455B\)](#) for the closed Jones County Sanitary Landfill. The Commission's financial assurance documentation, ([Doc #113308](#)), received July 17, 2025, has been placed in the DNR's record files.

The Financial Assurance Report Form and supporting documentation demonstrate that the Commission's Local Government Dedicated Fund (LGDF), as of June 30, 2024, had a balance of \$887,875 for post-closure care. Because this exceeds the updated post-closure care cost estimate of \$721,000, there is no further action required for this reporting year.

Please note that the Commission may withdraw money from the post-closure LGDF without DNR approval for the purpose of funding post-closure activities in accordance with 567 IAC 113.14(8)"d." As a reminder, compliance with 567 IAC 113.14(455B) is to be submitted annually, by April 1<sup>st</sup>, confirming that all applicable financial assurance documents are updated as required.

Please feel free to contact me with any questions. I can be reached at [\(515\) 802-8835](tel:5158028835) or [mary.klemesrud@dnr.iowa.gov](mailto:mary.klemesrud@dnr.iowa.gov).
