Re: Land Application Permit Recission
Agri Star Meat and Poultry LLC
Permit # 22-SDP-07-03

To Whom It May Concern:

Agri Star Meat and Poultry LLC wishes to rescind our Land Application Permit # 22-SDP-07-03. We will no longer land apply paunch biosolids at the permitted location.

A paunch storage building is referenced in the existing permit. Agri Star will continue to store paunch at the site when weather conditions do not allow equipment on fields. Agri Star will continue to apply paunch on other farm fields according to Iowa Code 567—121.6.

Please contact Larry Hill, with Bolton & Menk, Inc., at 515-238-5539 or me at 563-864-7811 with any questions related to this matter. Thank You.

Sincerely,
Agri Star Meat and Poultry LLC

Brent Bebee
Plant Manager
