Dear Mike,

SCS, on behalf of the Great River Regional Waste Authority (GRRWA), is submitting this formal request to the Iowa Department of Natural Resources for the extension of the landfill permit renewal application submittal due date for Permit No. 56-SDP-07-80.

Additional time is needed to prepare the design modifications to be integrated into the permit renewal application.

To accommodate these design modifications, GRRWA respectfully requests an additional extension of the permit renewal application submission deadline to November 21, 2025.

Please let us know if any additional documentation is needed for this extension request.

Thank you,

Kasi Province, PE*, Project Professional
