a result of this shareholding change at the parent company level as WDC will continue to be the operator.

WDC is notifying you of the TRM Equity equity sale because the WDC facility, located at 1746 Commerce Road in Creston, Iowa, maintains permits, licenses, agreements, and authorizations administered by your agencies, including the following:

- *In Re: Fansteel Foundry Corp. f/k/a Wellman Dynamics Corp.*, Case No 16-01825, “Consent Order Granting Joint Motion for Entry of Order Approving Amended and Restated Environmental Settlement Agreement” (June 9, 2020)
- RCRA Part A Permit Interim Closure (EPA ID Number IAD065218737)
- Administrative Order on Consent (Docket No. RCRA-07-2003-0167)
- IHHS Materials License (No. 0103-1-88-SM1)
- IDNR Sanitary Disposal Project Closure Permit (No. 88-SDP-04-86)
- IDNR Stormwater NPDES Permit (No. 88-22-1-01)
- IDNR Title V Operating Permit (No. 99-TV-018R4-M001)
- IHHS Certificate of Annual Registration (5108-1-88-IRX)

WDC has conducted a thorough analysis of the permitting rules applicable to its facility and has concluded that a transfer notice or amendment of the above-referenced permits, licenses, agreements, and authorizations is not required. Nonetheless, in the interest of transparency and open dialogue, WDC is providing this courtesy notice to inform regulators of TRM Equity’s equity sale transaction. If you have any questions regarding this matter, please do not hesitate to contact us.
