Good afternoon, Becky.

Today we received a request to submit the CRT Collections Annual Reporting. I'm forwarding the email sent at the beginning of January 2025. We no longer collect these items at the landfill.

Good morning, Susan.

I've attached the CRT Collection Registration form for the Winneshiek County Sanitary Landfill. As of 04/01/2024, all CRT collection was transferred to the Winneshiek County Recycling Department, and they will be responsible for all reporting from that date forward.

Thank you,
