Permit#11-SPD-10-05P-LAN

Dear Ms. Stiner:

The Agronomist site inspection was not completed because we did not haul any biosolids under our permit # 11-SDP-10-05 during Calendar Year 2025. This fall, we applied under the Department of Agriculture and Land Stewardship, Chapter 200A Fertilizer. If you have any questions, please call me at (712) 299-2977.

Sincerely,

Neil VanZweden
