Good morning Mary,

I am emailing regarding the 2026 Financial Assurance documentation for the Floyd-Mitchell-Chickasaw Counties SLF (IDNR Permit No. 66-SDP-01-73P).

The Financial Assurance documentation and FY 25 audit for this facility have been completed. The Floyd-Mitchell-Chickasaw Solid Waste Management Agency considers/approves the Financial Assurance documentation and authorizes Chair signature of the Municipal Solid Waste Sanitary Landfill Financial Assurance Report Form at an Agency meeting. The March Agency meeting, originally scheduled for March 3, 2026, has been cancelled. The next Agency meeting is scheduled for April 9, 2026.

By this email, we are requesting an extension until April 30, 2026 for the submission of 2026 Financial Assurance documentation for this facility. We will certainly strive to make the submission prior to that date if possible.

Thank you for your consideration of this request. Please let me know if you have any questions,

Doug
