Approval of Extension Request: 2026 Financial Assurance Submittal**

Dear Christian Fox:

The Iowa Department of Natural Resources (DNR) has received the extension request dated March 2, 2026, from the Floyd-Mitchell-Chickasaw Solid Waste Management Agency (the Agency) regarding the submittal of the 2026 Financial Assurance Report.

While the FY 25 audit and necessary documentation for the Agency are complete, the cancellation of the March 2026 Board Meeting has delayed the formal approval and signing of the report. In light of the rescheduled Agency meeting on April 9, 2026, the request for an extension is approved.

The revised deadline for the submission of the 2026 Financial Assurance documentation is April 30, 2026.

Please contact me with any further questions. I may be reached at [\(515\) 802-8835](tel:5158028835) or [mary.klemesrud@dnr.iowa.gov](mailto:mary.klemesrud@dnr.iowa.gov).
