**Financial Assurance Cost Estimate - Post Closure Cost Estimate Viking Pump Landfill Permit  
Permit No. #07-SDP-12-89**

Dear Mr. Wulfekuhle:

Please find attached an updated closure - post closure cost estimate for the Viking Pump Landfill. This estimate has been prepared relative the different phases permitted by the Iowa Department of Natural Resources (IDNR):

- Table 1 - Post Closure Cost Estimate for 1.3-acre area permanently closed in 2014.
- Table 2 - Closure/Post Closure Cost Estimate for the 4.1-acre open landfill that lies within the footprint of the pre-2014 landfill.
- Table 3 - Closure/Post Closure Cost Estimate for the 2.2-acre open landfill that lies outside the footprint of the pre-2014 landfill.
- Table 4 - Provides the calculation for remaining capacity also provides the tonnage disposed at the landfill in 2025. 2025 tonnage totals are preliminary and are subject to change.

There are no significant changes to the design or closure plans and the cost estimates have been updated with the inflation factor determined by the IDNR to reflect increased costs with time.

Please do not hesitate to call us, if you have any questions.

The values reflected are estimated income amounts. The actual income amounts will be reflected on your next statement as Net Interest Collected.

**Asset Pricing**

Values reflected for publicly-traded assets are provided by unaffiliated financial industry sources believed to be reliable. Values for non-publicly traded assets may be determined from other unaffiliated sources. Assets for which a current value is unavailable may be reflected at the last reported price, at par, or may be shown as having nominal or no value. Reported values may not be the price at which an asset may be sold. Asset values are updated as pricing becomes available from external sources, and may be updated less frequently than statements are generated.

**Trade Confirms**

Pursuant to federal regulation, monthly or quarterly account statements that include investment transaction details may be provided in lieu of separate trade confirmations. Separate trade confirms may be obtained at no additional cost upon written request to the account manager.
