NOTICE OF VIOLATION: PCS Storage - Paragraph 567 IAC 120.9(3)b

PCS Incorporation - Subrule 567 IAC 120.9(9)

RE: E-Farm Project # 31177

Dear Mr. Keltner:

On 5/3/05, this office received a request from the IDNR Central Office, Energy and Waste Division, to check the above proposed landfarming site.

On 5/11/05, I stopped and observed the site, noting the PCS had been delivered but was yet to be properly incorporated, per Subrule 567 IAC 120.9(9), at the rate required in Subrule 567 IAC 120.9(6). Failure to have met the required application and incorporation subrules has caused a violation of PCS Storage requirements, Paragraph 567 IAC 120.9(3)b.

On 5/26/05 you were notified via e-mail at d.keltner@trileaf.com, the observations and concern with the site still not showing compliance to the rule requirements. Your reply on 5/27/05 indicated the site was to be disked "very soon".

As my most recent photograph indicates, dated 6/27/05, the continued correspondence on 6/1/05, 6/10/05/ and 6/20/05, have yet to alleviate the noncompliance issue.

Therefore, E-Farms is required to:

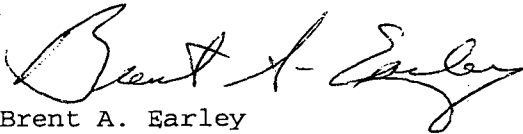

- Ensure proper incorporation by **July 14, 2005**, providing documentation when complete.
- Provide documentation of proper turning of PCS, per Subrule 567 IAC 120.9(10), as completed.
- Contact Field Office #6 (FO 6) at 319-653-2135 when requesting to apply at any permitted PCS site within the FO 6 region, until further notice.
