Mary,

SCS Engineers, on behalf of the Harrison County Landfill Commission, is requesting an extension to September 30, 2026 for submittal of the 2026 financial assurance report for the Harrison County Sanitary Landfill. The Harrison County audit is required for completion of the Local Government Guarantee documentation. Once the audit is available, the remaining documentation will be completed, reviewed, and submitted in a timely manner.

Please let me know if you have any questions.

Thank you,

Chris Calhoun
