Brian –

In accordance with the monthly Anderson Excavating C&D Landfill final cover repair plan status update requirement outlined in correspondence dated May 20, 2026 (Doc #117181), please see the September update below.

SCS Engineers submitted the Final Cover Repair Plan (Doc ID #117611) to the DNR on July 17, 2026. SCS received the DNR comments (Doc ID #117703) on the Final Cover Repair Plan on July 24, 2026. SCS submitted the revised Final Cover Repair Plan on August 7, 2026 (Doc ID#117779). DNR approved the plan on August 10, 2026 (Doc ID#117781). A standard proctor was performed on August 18, 2026 by Thompson, Dreessen & Dörner, Inc (TD2) on a representative soil sample to be used as compacted soil liner material, if required. Results were received by SCS on August 21, 2026. Work is anticipated to begin the week of September 7, 2026.

Please let us know if you have any questions.

Thank you

Christine
