**Re: Single Use Landfarm Early Closure near Story City, Iowa
Permit # 85-SDP-16-04P-PCS**

Dear Mr. Hjortshoj:

The Department has received your application for closure of a single use landfarm located at the NW1/4 of NE1/4 of SE1/4, Sec. 18, T85N, R24W, near Story City (Story County), Iowa. The project is referenced as being on April 19, 2007 from Northern Natural Gas near Ogden, IA. This project was result of a cleanup from DNR spill # 032307-DLP1631 and is referenced as E-farm project # 31454.

After review of the information submitted, the single use landfarm has met all the closure requirements per Iowa Administrative Code (IAC) 567 Chapter 120. In accordance with IAC 567 Chapter 120.12(2), the single use landfarm is hereby closed.

Records of land application activities shall be kept by E-Farm for three (3) years from the above date of this closure notice. If you have questions or need additional information, please contact me at 515/281-8150 or by email at matt.mcdonald@dnr.iowa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Matt McDonald".
