From: Lavoy Haage, Supervisor

Date: December 20, 2001

Subject: **Emergency Response and Remedial Action Plan (ERRAP) Reminder**
Wright County Sanitary Landfill (CLOSED)
Permit # 99-SDP-01-73 C MLF

This communication is intended as a reminder that the Department has not yet received an ERRAP for your facility that is due by December 31, 2001. Please refer to the Revised Unnumbered Amendment to your permit that was issued to you and all other permit holders earlier this year (during the end of March and the first part of April) that defined the ERRAP requirements and due date.

Please submit three (3) copy sets of an ERRAP that complies with the new rules under 567 IAC 102.16(455B) that were adopted on August 20, 2001 by the Environmental Protection Commission and became effective on October 24, 2001. These administrative rules can be found through our website at www.iowadnr.wmad.org under the Iowa Code and Administrative Rules tab on our home page.

If you have already submitted your ERRAP documents and they have not yet reached the Department, please disregard this reminder.

Non-compliance is a permit violation for which enforcement action may be taken.

If you have any questions concerning the ERRAP, please contact me at (515) 281-4968 or Jim Thayer at 281-3426.
