Re: Request for Temporary Operating Permit Variance Denial – Compost Facility Operator Certification

Ms. Johnson –

In response to the Department's letter of July 10, 2020 denying the requested Temporary Operating Permit Variance, Ms. Johanna Miller and/or Mr. Scott Amendt will oversee daily composting operations until such time as Mr. Swan is able to attend and complete an approved course of instruction to renew his certification as a Compost Facility Operator.

Please contact me with any questions or concerns regarding this issue. I can be reached by phone at 515-325-6133 (office), 515-450-0773 (cell – preferred) or via e-mail at [dmaccrea@chamnesstechnology.com](mailto:dmaccrea@chamnesstechnology.com).

Sincerely,

A handwritten signature in black ink that reads "Doug MacCrea". The signature is written in a cursive, flowing style.

Doug MacCrea  
Interim Compliance Manager
