Public Notice

**PUBLIC NOTICE
OF STORM WATER DISCHARGE**

L&M Radiator, Inc. plans to submit a Notice of Intent to the Iowa Department of Natural Resources to be covered under the NPDES General Permit No. 1 "Storm Water Discharge Associated with Industrial Activity," General Permit.

The storm water discharge will be from L&M's radiator manufacturing facility located in the NW quarter of Section 10, Township 88N, Range 9W, Buchanan County.

Storm Water will be discharged from four sources and will be discharged off site as the facility drains primarily to the north across agricultural fields, across 3 Elms Park Road and then across private residential property before entering the Wapsipinicon River.

Comments may be submitted to the Storm Water Discharge Coordinator, Iowa Department of Natural Resources, Environmental Protection Division, 502 E. 9th Street, Des Moines, IA 50319-0034. The public may review the Notice of Intent from 8 a.m. to 4:30 p.m., Monday through Friday, at the above address after it has been received by the department.

Published in the Independence Bulletin Journal on June 22, 2011.
