Legal Notice

PUBLIC NOTICE OF STORM WATER DISCHARGE

Daybreak Foods, Inc. plans to submit a Notice of Intent to the Iowa Department of Natural Resources to be covered under the NPDES General Permit Number 2 "Storm Water Discharge Associated with Industrial Activity for Construction Activities".

The stormwater discharge will be from site grading associated with the construction of a new building and parking lot for a bio security building at 4768 280th St. Graettinger, Iowa in Palo Alto County Iowa. Soil disturbing activities will include the following: site clearing and grading, installing a stabilized construction entrance; perimeter and other erosion and sediment controls, excavation and the preparation final grading and construction of pavement and foundations, installation of water, sanitary, and storm sewer utilities. The site is associated in the Northeast Quarter (NE ¼) of Section 8, T-97-N, R-32-W, Palo Alto County, Iowa.

Runoff from this site will discharge overland to a roadside ditch located on the North side of the site and be directed through the surface channel to Jack Creek. Jack Creek then discharges into the Des Moines River.

Comments may be submitted to the Storm Water Discharge Coordinator, IOWA DEPARTMENT OF NATURAL RESOURCES, Environmental Protection Division, Henry A. Wallace Building, 502 E 9th Street, Des Moines, IA 50319-0034. The public may review the Notice of Intent from 8 a.m. to 4:30 p.m., Monday through Friday, at the above address after it has been received by the department.
