## PUBLIC NOTICE OF STORM WATER DISCHARGE

East Penn Manufacturing Company, Inc. intends to submit a Notice of Intent to the Iowa Department of Natural Resources to be covered under the NPDES General Permit No. 2 "Storm Water Discharge Associated with Industrial Activity for Construction Activities".

The project site is located in Corydon, Iowa in the Northeast Quarter of the Northeast Quarter in Section 25, Township 69 North, Range 22 West of the Fifth Principal Meridian, Wayne County.

The project site will be utilized as a borrow area for backfill material and topsoil stockpiling for the East Penn Manufacturing A-5 Corydon Plant Expansion.

Potential sources of pollution generated as a result of this work relate to silts and sediment which may be transported as a result of a storm event. Runoff from this work will flow into the former city reservoir, to an unnamed natural waterway, and then to West Jackson Creek.

Comments may be submitted to the Storm Water Discharge Coordinator, Iowa Department of Natural Resources, Environmental Protection Division, 502 E. 9<sup>th</sup> Street, Des Moines, IA, 50319-0034. The public may view the Notice of Intent from 8 a.m. until 4:30 p.m., Monday through Friday, at the above address after it has been received by the department.
