**DNR Food Storage Capacity Grant**  
**Follow Up Report**

**Follow Up Report:** Comprehensive Systems, Inc.-Highland

**Agreement Number:** 24-G550-264FSC

Comprehensive Systems, Inc. (CSI) Highland Group Home located in Cedar Falls, was seeking a grant to offset the cost of a new an energy efficient freezer. Thanks to the DNR Food Storage Capacity Grant, Highland was able to meet their needs.

The average number of individuals served per day is seven, with four to five staff members per shift per day who work with the individuals on a daily basis.

Comprehensive Systems, Inc. utilizes the Northeast Iowa Food bank and local stores close to their location. Highland uses the online order process and is able to purchase 50% more of the bulk items from Northeast Iowa Food Bank and it allows us to purchase bulk items at a better cost point. The number of pounds distributed varies each month depending of the surpluses of food within the Food Bank and at the local stores.

Highland is extremely satisfied with the new appliance. They find that it offers more storage for food items and will see a cost saving in the future.
