RE: NPDES final permit #0790001

Dear Mr. Bowman,

Enclosed is the final NPDES permit that authorizes the discharge of wastewater from the city of Waterloo's wastewater treatment plants. This final permit is the same as the draft permit sent March 31, 2021. The issuance date of this permit is June 1, 2021; please become familiar with all limits and requirements in the enclosed final permit.

The facility will be required to use new discharge monitoring report (DMR) forms once a final permit is issued. Electronic DMR forms are available from your regional Field Office. Please contact Amber Sauser at 563-927-2640 (Field Office 1) or amber.sauser@dnr.iowa.gov for more information.

Please contact me at 515-537-3015 or Ben.Hucka@dnr.iowa.gov if you have any questions.

Sincerely,

Ben Hucka
